

Hallmark Health Imaging Associates, PC

James Coleman, M.D.

Dr. Coleman joined Hallmark Health in 1980. Dr. Coleman is board certified in Diagnostic Radiology. During his 29 years at Hallmark Health, he has continued his practice and expertise in diagnostic radiology.

Medical School: University of Florida Medical School
Internship: University of Florida
Residency: University of California, Irvine
Fellowship: University of California, Irvine

Neil Denbow, M. D.

Dr. Denbow joined Hallmark Health in 2006. Dr. Denbow is board certified in Diagnostic Radiology as well as Interventional and Vascular Radiology. He was an attending Radiologist at Yale University for 9 years and has a strong interest in vascular and interventional radiology as well as musculoskeletal imaging and interventions.

Medical School: McGill University School of Medicine
Internship: McGill University
Residency: McGill University
Fellowship: University of Montreal - Notre Dame Hospital - Vascular/Interventional Radiology
Fellowship: SUNY Stonybrook - Musculoskeletal Imaging

Olga Efimova, M.D., PhD

Dr. Efimova, a board certified radiologist, joined Hallmark Health in 2002. She received her Ph.D. in breast imaging from the Department of Diagnostic Radiology, Moscow Herzen Cancer Research Institute. She continues her special interest in all areas of breast imaging and breast cancer detection at Hallmark Health, including mammography, ultrasound, stereotactic breast biopsies, breast MRI and MRI guided breast biopsies.

Medical School: Second Moscow State Medical Institution Medical School
Internship: Carney Hospital
Residency: University of Massachusetts Medical Center

K. Eric Henrikson, M.D. Chairman, Department of Radiology

Dr. Henrikson serves as the Chairman of the Department of Radiology at Hallmark Health where he continues his special interest in Neuroradiology, musculoskeletal and breast imaging. Dr. Henrikson is board certified in Diagnostic Radiology.

Medical School: Columbia University, College of Physicians and Surgeons
Internship: Harvard Vth Surgical Service
Residency: Harvard Vth Surgical Service - Surgical
Tufts New England Medical Center - Diagnostic Radiology
Fellowship: New England Medical Center, CT and MRI

David S. Kwon, M. D.

Dr. Kwon was a Radiology Resident Research Award Scholar through the American Roentgen Ray Society and the Radiologic Society of North America. He has published several chapters and peer reviewed papers in the field of radiology. Dr. Kwon joined Hallmark Health in 2000, and has been Board Certified in Diagnostic Radiology since 1998, with specific interest in the areas of musculoskeletal imaging.

Medical School: Temple University School of Medicine
Internship: University of Rochester/Strong Memorial Hospital
Residency: University of Massachusetts Medical Center
Fellowship: Harvard Medical School/Beth Israel Deaconess Medical Center
Musculoskeletal/Orthopedic Radiology

Peter Lee, M. D.

Dr. Lee earned his Neuroradiology CAQ at Tufts New England Medical Center. After completing his fellowship, Dr. Lee joined the Neuroradiology staff at Beth Israel Deaconess Medical Center. He joined the staff of Hallmark Health in 2008, where he continues his interest in MRI and CT with a special interest in neuroradiology.

Medical School: New York University School of Medicine
Internship: Yale New Haven Hospital
Residency: Tufts University Medical Center
Fellowship: Tufts New England Medical Center - Neuroradiology

**Shashikant Natu, M. D.**

Dr. Natu has been board certified in Diagnostic Radiology since 1980. He joined Hallmark Health in 1986 where he retains a specific interest in mammography and breast cancer detection, and body imaging.

- Medical School:** Seth G.S. Medical College, University of Bombay
Internship: Coney Island Hospital
Residency: Maimonides Medical Center - Surgical
 Methodist Hospital - Diagnostic Radiology
 Boston University Medical Center -
 Angiography and Interventional Radiology

**Patrick Oder, M. D.**

Dr. Oder has been board certified in Diagnostic Radiology since 2001. He joined Hallmark Health in 2002. During his years at Hallmark Health, Dr. Oder's practice involves various modalities and subspecialties.

- Medical School:** Boston University School of Medicine
Internship: Malden Medical Center
Residency: Boston Medical Center
Fellowship: Boston Medical Center - Diagnostic Radiology (body imaging)

**Jakub Reczek, M. D., MBA**

Dr. Reczek, a board certified Radiologist joined Hallmark Health in 2007 from the Beth Israel Deaconess Medical Center, Department of Neuroradiology. He earned his Neuroradiology CAQ at Tufts New England Medical Center. Dr. Reczek brings his dedicated MRI and CT experience and special interests in neuroradiology imaging to Hallmark Health.

- Medical School:** Tufts University School of Medicine - M.D. /MBA
Internship: Baystate Medical Center
Residency: New England Medical Center
Fellowship: Tufts New England Medical Center -Neuroradiology

**Coralli So, M.D.**

Dr. So received her Certificate of Added Qualifications in Vascular and Interventional Radiology in 2003. Dr. So is also board certified in Diagnostic Radiology and joined Hallmark Health in 2002 where she continues her special interest in vascular and interventional radiology as well as general diagnostic radiology.

- Medical School:** Boston University School of Medicine - BA/MD 6 Year Accelerated Program
Residency: Baystate Medical Center - General Surgery
 University of Massachusetts Medical Center - Diagnostic Radiology
Fellowship: University of Washington Medical Center - Seattle, WA - Vascular and Interventional Radiology

**Esther Sreter, M.D., FRCPC**

Dr. Sreter, a board certified radiologist, has special interests in breast imaging and breast cancer detection, including breast MRI, mammography, ultrasound and image guided breast procedures. Dr. Sreter joined Hallmark Health in 2002.

- Medical School:** Memorial University of Newfoundland
Internship: Health Sciences Centre General Hospital
Residency: Health Sciences Centre General Hospital
F.R.C.P.: Memorial University of Newfoundland
Fellowship: Brown University, Rhode Island Hospital
 Cross Sectional Imaging (CT/MRI/Ultrasound) and Mammography

**Joshua Stein, M.D.**

Dr. Stein joined Hallmark Health where he brings his special interest in breast imaging, including breast MRI and image guided breast procedures. Dr. Stein has been board certified in diagnostic radiology since 2007.

- Medical School:** Tufts University School of Medicine
Internship: Lemuel Shattuck Hospital
Residency: New England Medical Center Imaging (CT/MRI/Ultrasound) and Mammography

**Wayne A. Wivell, M. D.**

Dr. Wivell serves as the Associate Chief for the Department of Radiology and Co-Medical Director of the Cardiac and Endovascular Center. Dr. Wivell is board certified in Diagnostic Radiology, and has a Certificate of Added Qualifications in Vascular and Interventional Radiology. Dr. Wivell joined Hallmark Health in 1998. Dr. Wivell is also the Radiation Safety Officer for Hallmark Health.

- Medical School:** Temple University School of Medicine
Internship: Abington Memorial Hospital
Residency: University of Massachusetts Medical Center
Fellowship: Dartmouth-Hitchcock Medical Center - Cardiovascular and Interventional Radiology
